Dear Mr. Chapman:-

Enclosed you will find a list of fractional currency notes numbered according to Dr. Valentine's book, which I am on the lookout for.

If you have any of them in crisp condition, Iwill be glad to have you quote me prices on same.

I have not as yet received your check for $5.00 in payment of the St. Lucia piece you took with you the last time I saw you.

Will you be good enough to remit at your very earliest convenience.

Very truly yours,

Archibald Firestone
